

With 2021 plowed under and a new growing season coming up fast; it is time to start planning our gardens and opportunities to be outside enjoying nature again. If you spent any time at the ranch in New Market you were able to enjoy the beautiful flowers; even when you were riding around the ranch. Last year we expanded the MHR fundraiser, to include more gardeners and horticulture enthusiasts to purchase the array of flowers provided by Wagner Greenhouses in Minneapolis. The pricing is lower than other greenhouses and garden centers, along with a variety of options for any garden sun or shade. The high quality of the combinations and flowers will delight you throughout the growing season, long into the fall.

Majestic Hills Ranch is a 501(c)(3) non-profit that offers Equine-Assisted Activities and Therapeutic Riding to Children & Adults with Special Needs and Injured Military Personnel, Active Duty & Veterans in Rehabilitation. They are the recipient of 100% of the profits raised after the initial cost of the plants.

The last few years 501(c)(3) have had to adjust to the changing environments many of charities suffered with the cancellation of events and opportunities to share their visions. The cancellations of the events and opportunities prevented many including Majestic Hills Ranch Foundation to raise that important cash to continue their programs. As with so many non-profits, Majestic Hills Ranch survives on the donations, fundraising, and grants that we receive throughout the year. Money donated goes towards the care and upkeep of our horses, general operating costs such as insurance and maintenance of our ranch equipment. Donations / Contributions are tax deductible to the full extent of Minnesota Laws.

The Garden Combos and Select Kits will be delivered to a centralized location at 6544 Brook Lane on May 5th and available for pick up, later that day.
