

# CELEBRATE

*with Majestic Hills Ranch!*

## 2022 HIGHLIGHTS

### *Serving Veterans*

Liz Zelles took over working with our Veterans this year. We had the return of some of our independent riders as well as continuing with our Veteran's Homes participants.

### *Children Participants*

While still adhering to most of our COVID protocol in classes (masked in common areas, disinfecting tack and treat bowls, and family members assisting in class) we did move forward with adding new participants to our schedule. 30% of our riders were new to Majestic Hills Ranch throughout our 4 sessions.

### *Adult Riders*

The amount of adult aged riders increased in 2022, mostly due to our existing riders going into that age bracket. We did offer more class times to our riders, and 10% of our adult participants were new to our program,

### *Community Volunteers*

We had several volunteers return for the first time since COVID hit, and 13% of our volunteers were new to the program. We are so thankful for all that help with our classes and the maintenance of the ranch!

# 2022 EVENTS

## *Our first ever Golf Event!*

Golf 4 MHR was our first (miniature) Golf event that was to be held at the nationally known Big Stone Mini Golf and Sculpture Garden in Minnetrista MN. We had several wonderful sponsors and many golfers all lined up for a festive event - but Mother Nature had other plans! We were rained out, but thanks to the generous nature of all - we were able to raise our goal of \$10,000 to support our program!

August 19th, 2022

8 Sponsors, 24 Golfers, 33 Silent Auction Items

**Power of 10**

## *Returning to our Rock-n-Roll Extravaganza, too!*

In 2022 we returned to the Bloomington Event Center for an evening with the Rock n Roll band - **Power of 10!** We had several sponsors gracing our dining tables and the band played until the end of the beautiful night. It was a great turn out with over 75 guests and so many items in our silent auction! The food was delicious and we were able to dance to the beat of talented artists! A good time was had by all!

October 7th, 2022

## *Online Giving at its Best!*

This was our 12th year participating in the MN Give together, and our best year ever! With many donors returning, and some wonderful gifts, we were able to reach our goal of \$10,000!

November 17th, 2022

*Thank you so much for supporting MHR throughout 2022 and into 2023. Your donation of any amount helps the programs thrive, survive, and grow in the upcoming season.*
